Biblical Principles About Marriage Part

الحق المغير للحياة

Life-Changing Truth

In order to be a successful family you must know how to be the home of the word of God ... and also you need to know how to keep this house going successfully. Or 24: 3 The success of engagement is only that the two are not separated but that they continue in the life of agreement and peace and true union. The association is not only successful in its composition but in its continued .successful marriage

In this series of teaching, you will learn from the Word of God the way in which the connection is made in a successful manner and .also continues to be successful
