Life-Changing Truth

Then touched he their eyes, saying, According to your faith be it unto you. (Matt. 9:29)

As I said before, I never felt so dull, listless, and unspiritual in all my life as I ministered to this couple! If I had been going by feelings, I would have said, "No, I can't pray. There's no use in me praying."

But, thank God, I know the Word. The Word of God works.

The husband said, "Ever since we heard you on the radio, we've been praying every night that if it is God's will to heal my wife, God would give us faith so that she can be healed." Well, that prayer is unscriptural.

If you'll learn to locate people and move them into a position to receive, you'll get results. I located this couple by what he said. I had already proven by giving scriptures on the radio broadcast that it was God's will to heal her and everyone else that is sick. But they hadn't quite caught that.

Now another thing was that the husband was doing all the talking. That is something that hinders many people. You can't speak for another person.

For example, you can't get your wife healed because you believe in divine healing. Her unbelief can nullify the effect of your faith.

Also, you can't ride someone else's coattail. You can't get healed because someone else believes in divine healing. What do you believe about it? Sooner or later, you're going to have to have an experience of your own.

Confession: I search the Scriptures to discover for myself what the Bible says about healing. I choose to believe what the Bible says. I choose to believe that healing is for me now.
